## COMFORT PLUS HIGH MODEL

The **COMFORT PLUS CHAIR** provides a perfect sitting comfort due to its high resilient foam contoured seat. It drains static charges safely, continuously and passively from seated personnel when used in conjunction with conductive flooring or floor mats.

- Seat height from 610 to 850 mm
- Star base with 5 conductive glides
- Chromed foot ring, **continuously height adjustable**
- Safety gas lift
- Adjustable seat height, depth and angle
- Mechanism with synchronous technology
- Seat and **dynamic back rest** mechanism, individually adjustable
- High quality molded foam pads for perfect comfort
- Conductive plastic back seat shell with ESD symbol
- Back seat with conductive black fabric and ESD symbol
- GS certified

### Covers:
